TERMS AND CONDITIONS OF PURCHASE ORDER

INSPECTION: Buyer shall have the right to inspect goods supplied at any time during the manufacture or fabrication at seller's facilities or elsewhere. Such inspection may include, without limitation, raw materials, components, work in process, and completed products as well as drawings, specifications, and released data. There cannot be any repair such as weld, plugging, etc. or any modifications without written consent from Bay Shore Steel Works. Any unauthorized repair will deem the part scrap, and will be the vendor's responsibility to absorb all costs associated with manufacturing, delivery and inspection of said part. Any deviation from the supplied drawings will result in the same. Final inspection and acceptance shall be after delivery to the delivery point designated by Buyer.

MATERIAL PROVIDED TO SELLER: All drawings, prints, dies, patterns, tools, materials, scrap, etc. furnished by buyer remain buyer's property and are to be returned upon completion of this contract. Materials produced by seller and paid for by buyer become buyer's property and shall be returned upon completion of this contract. Return of materials may be otherwise specified by buyer. Buyer furnished property (armor steel, aluminum, titanium, tubing, bar stock, forgings, castings) must be stored in an environment which ensures protection from outdoor elements. Any material damaged due to improper storage shall be replaced at seller's expense. The supplier will be held responsible for any lost, misused, damaged, scrapped or stolen material and will be held liable to reimburse BSSW for the cost of the replacement material.

CHANGES-CANCELLATION: Buyer reserves the right to reschedule, cancel, or change quantities on this order, prior to the specified shipping date, by written notice to seller. The extent of compensation or reimbursement, if any, shall be negotiated between buyer and seller on a fair, just and equitable basis.

DEFERMENT: In the event of fire, flood, strike, lockout, accident, war or causes beyond buyer's control interfering with the consumption or the transportation of materials or the performance of services specified or buyer's manufactured products, delivery of this order may be suspended without cost to buyer during the period required to remove the cause.

PUBLICITY: Without buyer's prior written approval, seller shall not release any publicity, advertisement, news release, denial or confirmation regarding this contract or the goods, services or program to which it pertains.

PATENTS AND COPYRIGHTS: Seller agrees to defend, indemnify, and hold harmless buyer, its customers and agents, against any liability, without limitation costs, expenses and attorney's fees, for or by reason of any actual or alleged infringement of any patent or copyright arising out of the manufacture, use, sale, delivery or disposal of goods furnished under this contract.

ACCEPTANCE OF CONTRACT: Buyer recognizes that seller may for his convenience, utilize his own form of acknowledgement or otherwise acknowledge the order than by simple acceptance. Therefore, it is agreed that any provisions of seller's order shall be deemed waived and provisions of this order, by such acceptance, constitute the whole contract between buyer and seller.
